Principal's Report

Dear Parents,

Our 2017 NAPLAN results are in and are very pleasing. Overall we are very happy with our Year 3 results and the growth our Year 5 students have made over the past two years. Individual student reports will be sent home today. You are welcome to discuss your child's report with their teacher. Please make an appointment to arrange a convenient time.

Congratulations to Daniel Campbell and Kiara Stephens, the winners of our Premier's Spelling Bee Final, and to Emmily Woodhead and Baden Riedell, the Runners-up. All four will progress to the Zone Final on Thursday 22nd September at Corowa Public School.

Thank you to all of the parents who completed and returned our Homework Survey, including the electronic version. We will be compiling the results which will guide our committee in updating the policy.

Last Thursday and Friday the Enviromentors visited and lead some fantastic science based activities in each of our classes. From all reports they once again inspired our children.

John Francis, Principal

Trust Yourself

Give yourself a break. Hitting the drive through once in a while when you're too tired to cook doesn't make you a bad parent.

Trust your instincts. No one knows your child better than you. Follow your instincts when it comes to health and well-being. If you think somethings wrong, chances are you're right.

Just say "No". Resist the urge to take on extra obligations at the office or become the volunteer queen at your child's school. You will never, ever regret spending more time with your children.

Don't accept disrespect from your child. Never allow your child to be rude or say hurtful things to you or anyone else. If they do, tell them firmly that you will not tolerate this form of disrespect.

Pass along your plan. Let the other caregivers in your child's life, your spouse, grandparents, daycare worker, babysitter help to reinforce the values and behaviour you want to instill. This includes everything from using manners and being kind to not whining.
