Principal's Report

Dear Parents,

Welcome back for Term 4. We hope everyone was able to recharge their batteries for Term 4. Please make sure your child has a school broad brimmed hat (with name on it) each day. Even if they choose to play in the shade at recess and lunch, many class activities take place outside, so a hat for UV protection is required.

Kindergarten (Prep) Transition begins this Friday, 13th October, for children starting school in 2018. For the first 2 weeks we start at 9.00am and finish at 11.00am. This great program runs each Friday until 17th November. Enrolment forms can be returned on these days, if they haven't already been returned.

The P&C holds its monthly meeting this coming Wednesday at 6.00pm in the School Library. Everyone is welcome to attend and contribute.

Students in 5/6 are participating in a native seed collection workshop this coming Thursday, as part of the Creative Catchments Program, run by the Murray Darling Basin Authority. There is no cost for the day, thanks to the various organisations involved. Make sure notes are returned by tomorrow, Tuesday 10th October.

Students in Kinder and 1/2 will participate in Fire Safety Education this Thursday afternoon with the local RFS.

Well done and a big 'Yee Ha' to the SRC for the great Disco at the Golf Club at the end of last term. A huge thank you also to Mrs Hyde for her great organisation and the Barooga Sporties Golf Club for the use of the fantastic venue.

Thank you to Henry Crestani and Nick Kennedy for the installation of our playground chalkboard and path during the holidays. Thanks also to Mawson's for their donation of concrete for the path.

P&C News

This Wednesday, 11th October, is our monthly P & C meeting in the library at 6pm. All welcome.

A market will be held at the Recreation Reserve on Saturday 21st October. The P&C have been asked to run a BBQ from 9am – 12pm. We will require some volunteers to help out on the day. Please let me know as soon as possible if you can assist.

Enjoy your last term of school.

Thursday 12th October

**Wear odd socks to school this Thursday
to help raise awareness of
Mental Health.**

**Photos of the day will be uploaded
Tagging and Liking the
Yarrawonga Health Facebook Page**

**Odd Socks Day was created to remind
people that anyone can have an odd day,
and that stigma is still one of the greatest
barriers to people seeking help and
recovering from a mental illness.**
