Principal's Report

Dear Parents,

This Friday we will be holding an Easter Activity Fun Day with activities starting after Recess. We will be having an early assembly at 12pm. Kinder and Year 1 will be performing an item and we will have a Hat Parade of the Easter hats made in class this week. The SRC Easter Egg Raffle will be drawn after assembly at around 1pm. After lunch the students will participate in tabloid sports. Parents/Guardians are welcome to attend our special Easter Assembly at 12.00pm.

Our Year 3/4 teacher, Mr Joel Dedman, will be taking leave from Barooga Public School at the end of this term for the remainder of 2017. This has been a very difficult decision for Mr Dedman but he has decided that for personal family reasons he will be moving back to his home town.

Mrs Merridy Jamieson-Rokobaro will be relieving on the Year 3/4 class from the beginning of Term 2 and will remain with them for the rest of the year. Mrs Rokobaro is a highly experienced teacher and she is really looking forward to getting to know the class and working at our school.

Miss Laurel Clark will be finishing her time with us at the end of this week and we would like to thank her for her work with the Year 5/6 class for the last four weeks.

Mr Francis will return to school at the start of next term. I would like to thank everyone for your support while I have been relieving as Principal in his absence. Particular thanks to our hard-working and supportive office staff, Rae, Jodie and Lisa who have been a wonderful help to me while Mr Francis has been away.

Mobile Phones are an important communication device for parents and children, especially with after school activities. Children do not need them for any in-school activity. If a child brings a mobile phone to school or any electronic device, they need to hand it in to the office in the morning for safe keeping. They can then collect it at the end of the day. If you need to contact your child with an important message during the school day please contact the office and it will be passed on. If you need to be urgently contacted during school hours we will do so. If students are found to have a mobile phone or other electronic device at school, without handing it in to the office, it will be confiscated. Parents will then be contacted to pick it up.

I hope everyone has a safe and happy break from school and look forward to seeing you all back next term. Please remember that the school grounds are out of bounds during the holiday period. School resumes for staff on Tuesday 18th April and for students on Wednesday 19th April.

P&C News

Thanks to Tameka, Sam and Lyn for manning the gates last week at the footy. We still have one more duty to fill which is this Thursday 30th and we still require one or two people to help on the gates. If you are able to help, please let me know as soon as possible. Hope everyone has a nice Easter break.
