Principal's Report

Dear Parents,

We have a busy few weeks ahead of us with lots going on.

Today we had K, 1/2, 2/3 and 3/4 visit AquaLife here at school. Ian brought lots of very interesting exhibits with him for the children to increase their knowledge of sea creatures.

Tomorrow, after lunch, we have the Musica Viva performance at the hall. This has been part of our music program this term and we are really looking forward to seeing the live performance. There is no cost for this and parents are welcome to attend.

Next Monday and Tuesday we have the Environmentors return to the school. Each of the classes is scheduled to participate over the two days.

On Thursday 1st June the Zone Cross Country will be held at the Urana Aquatic Centre. Notes were handed out last week for students who qualified so please return these as soon as possible please.

Accounts have been sent home today. It would be appreciated if all monies owed could be settled by **Friday 30th June** as we are transitioning to our new finance system early next term.

EnvironMentors

This term, we are thrilled to once again have the EnvironMentors visiting our school. Each class will participate in a workshop about reducing litter called 'Lunches Unwrapped'. Year 5/6, Year 2/3 and Year 4/5 will have their workshops on Monday 29th May whilst Year 1/2, Year 3/4 and Kinder will participate on Tuesday 30th May.

The workshops are free for students thanks to Keep NSW Beautiful and the Murray Regional Organisation of Councils.

We have been advised of a number of cases of head lice at school.

Could you please check your child's hair EVERY DAY and treat if necessary BEFORE returning to school.

Remember to treat again after 7 days to help break the cycle.

It's a good idea to check your child's hair every Friday after school and treat over the weekend if necessary.
