Principal's Report

Dear Parents,

Congratulations to Daniel Campbell who was inducted as School Captain during last week's Assembly. Daniel has taken over the role from Taleea Long who has left the school. Thomas Brooks has stepped up as Bullanginya Boy Captain and Zayden Wheeler Boy Vice-Captain who were also inducted into their new roles during Assembly.

This week is National Reconciliation Week. It is a time to celebrate and build on the respectful relationships shared by Aboriginal and Torres Strait Islander people and other Australians and focuses on how all Australians can better recognise the contributions, cultures and histories of Aboriginal and Torres Strait Islander people.

The Environmentors have returned to the school today and tomorrow. Each of the classes are scheduled to participate over the two days of practical learning about the environment.

Tomorrow classes 4/5 and 5/6 will be participating in a Football Clinic with Melbourne AFL team at the Cobram Footy Ground. This is from 10.45am until 12.00pm.

On Thursday 1st June the Zone Cross Country will be held at the Urana Aquatic Centre. Notes were handed out last week for students who qualified so please return these as soon as possible.

Next Friday, 9th June, we have the Autumn/Winter Round Robin in Oaklands. We are currently finalising transport and will have a note out later in the week. Parents are also required to assist with teams, so please make this available in your diaries.

Last week we had the Musica Viva performance by Adam Hall and the Velvet Players at the hall. It was a really enjoyable performance with the children actively participating. It was great to see a number of parents take the opportunity to join us too.

EnvironMentors

This week, we are thrilled to once again have the EnvironMentors visiting our school. Each class will participate in a workshop about reducing litter called 'Lunches Unwrapped'. Year 5/6, Year 2/3 and Year 4/5 will have their workshops today whilst Year 1/2, Year 3/4 and Kinder will participate tomorrow.

The workshops are free for students thanks to Keep NSW Beautiful and the Murray Regional Organisation of Councils.

You Can Do It!
