## Principal's Report

Dear Parents,

A big thank you to the Central Murray Credit Union for providing each Year 6 student with a school dictionary. We also thank Director Mr Mick O'Dwyer for presenting them at the Assembly on Friday.

Thank you to everyone for promptly returning the many notes that were sent out last week. Please keep in mind that it is crucial to get the permission notes returned on time. It is really important for organisation, such as ordering, booking buses, supplying events with accurate numbers etc. **If your child does not return their note by the due date they will not be permitted to participate in the activity.**

Payments on the other hand, can be made when it is convenient, but please notify the school of your intentions. This is especially the case with larger amounts, such as major excursions. Please also note that **PAYMENT IS NOT PERMISSION**. Spare notes are generally kept at the front office. If you need any assistance or clarification, please contact your class teacher, the office or myself.

Barooga Public School is always looking for willing volunteers to assist in and around the school. Some of the many things you may be able to assist with include; listening to students read, helping out in the kitchen or garden, covering school books, sport etc. You may even have your own ideas, depending on your talents and interests. Attached is a Volunteers return slip to indicate how you could possibly assist the school. Please also include any grandparents or community members you think may be willing and able to assist.
