KITCHEN WEEK

Thought for the Day

If you don't like
something, change it.
If you can't change it,
change the way you
think about it.

Principal's Report

Dear Parents and Carers,

The change of classes went well today with students adapting to the change with great resilience. Unfortunately, we still don't have a new date for School Photos as yet.

A special thank you to Hannah and Fletcher Swann, Renae and Brett Riedell, Caroline Solling and Lyn Mountney who joined Miss Peake, Mrs Davis and myself for the working bee in the kitchen and garden yesterday. We really appreciate you giving up part of your day for the school.

A reminder to Year 6 families to please return NSW high school placement by the end of the week, even if you are not attending a NSW high school.

This Saturday is the NSW State Election. A polling booth will be here at school, in the Library. The P&C is looking for parents to assist with the raffle it is holding. If anyone is available for an hour, especially between 1 and 2pm please contact Marcia Nolan.

Congratulations to both Codi Bowden and Griffin Lawrence who represented the Finley Zone PSSA at the Riverina PSSA Swimming Carnival in Albury last week. Both boys improved their previous performances and should be proud of their efforts.

Good luck to Dom Ciccone, Seth Lawrence, Tyler Schlink and Sam Stillard who are attending soccer trials in Deniliquin today.

Also good luck to Charlotte Howell, Cassie Hellyer-Maud and Emily Styles who will be attending the Finley Zone Netball Trials on Tuesday afternoon.

And good luck to Hunter Williams, Taiten Rudd, Jayden Geisler, Seth Lawrence, Codi Bowden and Crue Lucas who have been selected to represent the Finley Zone PSSA at the Western Riverina Football Trials at Leeton this Thursday 21st March.

Years 5 and 6 will be participating in a combined Cobram and Barooga schools Cyber Safety information session at St Joseph's on Wednesday 3rd April. Later that evening a parent information session will also be held. Further information will be provided next week.

In our busy world it is easy to rely on convenience food for our child's lunch and recess. But many convenient snack foods are high in sugar, salt and fat, sometimes all three, including those that claim to be healthy. Remember that food is the fuel; if you want good outputs from the body and brain you must use the right fuel. Treats should be exactly that, treats, not everyday food. This week's **Positive Behaviour for Learning (PBL)** focus is to **Share the space**, which are part of being **Respectful**.
