## Principal's Report

Dear Parents and Caregivers,

Class information sessions were held last week. Thank you to the parents who were able to attend. We totally understand that the times were not suitable for every parent or carer. If you were unable to attend but still would like to meet with your child's class teacher, please make contact with the school to arrange a mutually suitable time.

The School Swimming Carnival is booked for Friday February 14<sup>th</sup> at the Cobram Pool. Students in Year 2, who are 8 years of age and can swim 50m can also participate. Notes and payment should have already been returned along with the P&C Meal Deal. Please remember to bring hats, sunscreen and plenty of water.

Today is Safer Internet Day so I have attached the URL address of the e-Safety Commissioner: <https://www.esafety.gov.au/parents>. Over the weekend I read an article, which in many ways was very frightening, about the great work undertaken by the e-Safety Commissioner in trying to protect us, and especially children, while online. This link provides support for parents in helping keep children safer while using online platforms such as Tik Tok, Fortnite, Snapchat etc.

Good luck to Crue Lucas and Codi Bowden who are both attending cricket trials in Deniliquin tomorrow.

Tomorrow evening is the first P&C meeting of the year. The meeting starts at 5.00pm in the Library and usually takes about an hour. Everyone is welcome to attend and contribute to supporting the school.

Thank you to everyone for returning all of the notes we sent out last week. We really appreciate their speedy return.

If you have any questions, concerns or are unsure of anything please ask one of our staff members for assistance. It is really important to keep our communication lines open and help out wherever we can. We encourage you to contact the school to talk about any concerns you might have. Most problems can be solved by talking to the office staff, your child's teacher or myself. If you have a complaint that cannot be resolved informally, we have complaint procedures to follow. Information on this can be found at: <https://education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions>.

## Mouthguard Month

A mouthguard can help cushion a strong blow to the face that otherwise might result in a severe injury to the mouth and joints. It acts as a shock absorber protecting the teeth and lower jaw from potentially breaking and prevents you from accidentally biting your lips, tongue or cheeks.

Cobram Dental Clinic is running a mouthguard promotion during February encouraging all patients to book in for a custom fit mouthguard at the heavily discounted price of **\$65**. If you are in a health fund you may also be eligible for a rebate.

Please see reception to book an appointment
