Principal's Report

Dear Parents and Caregivers,

Mini Book Fair

Thank you to those who supported our Mini Book Fair last Thursday. Our sales for the day were just over \$1000. Our total commission was \$257 in scholastic rewards to spend on books and resources for our students.

As a result of this Mini Book Fair, we will now receive higher commission on the sales at our next Book Fair to be held later in the year.

Easter Activities

We are still planning to go ahead with our SRC Easter activities on the last day of term, Friday 27th March. However, as we have been advised not to run assemblies or other large gatherings we request that visitors don't attend our hat parade and the other Easter activities. We will endeavour to share the events via Facebook with photos and videos. All students will make a hat at school.

The raffle will be drawn at approximately 2.30pm and children will take the prizes home or they can be picked up from the front office. Winners will be notified by phone if they don't have children at school.

The Easter Egg hunt run by the SRC will take place as usual. Students with known allergies will be catered for but please see the front office or your child's classroom teacher if you have any concerns.

Gymnastics

At this stage our last Gymnastics lessons will be on this Wednesday for Years 4/5, 3/4 Kinder, 1 and 2. Please ensure your child/children wear appropriate clothing for these lessons.

New Bell

Last year's SRC purchased a new bronze bell with proceeds from the Fun Run, to replace the two that were stolen. The new bell has been installed and looks and sounds fantastic. The SRC this year plan to spend the remaining money and money they raise this year on outside equipment.

Forensics Day, Finley High School

The Year 6 students had an enjoyable day at Finley High School's Forensics Day last Friday. They learnt about electricity, rockets, finger printing and identifying fibres and other materials through microscopes in a range of hands-on investigations. The Year 9 students did a great job leading the activities and were excellent ambassadors for Finley High School.

Kat Taylor

has vacancies available
for all age groups.

I offer a safe, welcoming, nurturing and inclusive environment where children can explore, learn and develop their skills through play based, child lead learning. Activities and experiences are stimulating, challenging, age appropriate and fun!

I am a passionate and dedicated educator who believes that all children should be treated equally and have access to quality education. I have 14 years experience working with children, and their families, in long day care centres and family day care settings as well as facilitating playgroups and working in a family support role.

I will provide breakfast, morning tea and afternoon tea but ask that you provide some lunch for your child. I will provide Wipes, sunscreen and nappies unless your child requires specific ones.

My service is unique as I am set up in a home solely dedicated to family day care. This means the entire environment, whilst still set up like a home, is set out to cater to the needs of the children, their likes and interests.

My approach is open, honest, fair and encouraging with all children and I get just as excited about their accomplishments as they do!

I believe it takes a
village to raise a
child and I'd love to
become part of
yours!
