Principal's Report

Dear Parents,

Congratulations to the students who participated in the University of NSW ICAS Global Maths Assessment. Our students did well in this highly competitive international assessment. A special mention to Paige Riedell and Ruby Noonan both achieving a Credit. Congratulations!

Late last term we received our Year 3 and 5 NAPLAN Results. We were pleased that the school's results were better than similar schools in most cases and even better than the state average in a few areas. There is always lots to work on, but it's always pleasing to know that our students are achieving well in comparison to others. *Tell Them From Me* student and parent surveys are now available. These surveys provide us with valuable feedback from our school's community. Students in **Years 4, 5 and 6** will take part during this week, unless they returned the not to participate form last week. Remember the survey is anonymous. Parent surveys are available at the following address: <http://nsw.tellthemfromme.com/bwmb8>. There is also a link for the parent survey on our school's website, in the News section. Both of these surveys close this Friday 26th October.

Kindergarten Transition for students starting in 2019 continues this week, starting at 9.00am and going through to 12.30pm. The times will also be the same next Friday 2nd November.

This Friday the Kinder class will visit the Medical Clinic in Cobram for a "Teddy Bear hospital visit" which is a fun, interactive learning experience about local health services.

This weekend is the Cobram Show. There will be lots of fantastic student's work on display, as well as all of the other show activities.

*This week's behaviour expectation focus is to be **respectful, safe and responsible** when wearing school hats.*

COMMUNITY NOTES

FINLEY & DISTRICT CAMERA CLUB INC. INVITATION

Tom Putt, one of Australia's leading landscape photographers, will be attending our next meeting to be held at the Barooga Public School Library on Thursday 8th November 2018.

From his first professional job in sports photography, through to running one of Melbourne's most successful portrait studios, to starting one of the first companies to lead photographic workshops in Australia, Tom's experience is unsurpassed.

We would like to invite any interested Community members to attend. The session will suit children as well as adults.

PAY IT FORWARD

Do you have any Football Boots which no longer fit or you no longer use?

We are requesting donations of clean pre-loved football boots for a Pay it Forward project. Mitch Adkins is an 11 year old Year 6 student at Sacred Heart Primary School and a mad Richmond supporter. Mitch has been a fire carrier for the past two years and has a passion for helping people in the community. He wants to help the Aboriginal community where Mr Bernie Price is involved by taking donations of anything football related to send up to the area.

Mitch needs your help!

How to donate:

- Ensure boots have been cleaned
- Drop boots to Sacred Heart Primary School Yarrawonga Woods Rd Office
