"How did it get so late so soon?
Its night before its afternoon.
December is here before its June.
My goodness how the time has flown.
How did it get so late so soon?"
~Dr. Seuss

Principal's Report

Dear Parents,

Our School Swimming Program has finished for another year and was a fantastic success. The students made great progress in their swimming development. A massive thanks to our swimming instructors Jack, Leo and Mrs Davis and our program coordinators Mrs Kennedy and Mrs Crestani who made the program possible and so successful. Also a big thank you to the Sporties and their staff for the use of their fabulous facilities, Brian and Baldwin Buses and Murray Irrigation for their generous support of the program. Swimming certificates will be handed out next Monday 10th December.

Last Friday the Year 5 students presented their 2019 School Captain speeches. Each and every one of them is to be congratulated on their outstanding presentations. They had obviously put a great deal of thought into and prepared well for their speeches. Super effort!

The Year 6 Farewell is tomorrow evening Tuesday, 4th December at the Barooga Sporties Golf Club. We look forward to farewelling our senior class at this special event.

The School Presentation Day is this Friday, 7th December here at school, starting at Midday. This is always one of the highlights of the school year. Parents/Carers and the wider community are welcome to come along.

This weekend the School Choir, who have been busily learning songs, will perform at the Lions Club Christmas Party on Saturday and Barooga Carols by Candlelight on Sunday evening.

School reports will go home on Friday 14th December.

*This week's behaviour expectation focus is to be **respectful, safe and responsible** at Assembly. We expect students to make good choices when going to and from and at assemblies.*

John Francis, Principal

2018 Swimming Program

Our two weeks of swimming concluded on Friday and both schemes were highly successful. It was wonderful to see the progress each child made and the confidence they gained in the water. The children also received a great deal of instruction on water safety and were able to practise many of these skills. Each child who participated in the program will receive a certificate stating their achievements in the pool, on Monday 10th December at 9:00am during morning assembly. Parents are most welcome to attend and acknowledge the children's efforts. I would like to thank our swimming teachers, Teena Crestani, Wendy Davis, John Francis, Leo Kelly and Jack Kelly. Their efforts in supporting and encouraging the children were very much appreciated. I would also like to thank the Year 6 students who were the change room buddies for the Kinder and Year 1 children. We are also very fortunate to have the financial support of Murray Irrigation Limited and we're very grateful for their sponsorship to enable our children to participate in a 'Learn to Swim' program which has a heavy focus on water safety. We thank Murray Irrigation for their continued support. Congratulations to all the children who have participated over the past two weeks.

Rebecca Kennedy, Swimming Coordinator.
